

My Home Escape Plan

Memorize your fire emergency phone number (usually 911) and write it here: _____

Use the space below to create your home fire escape plan.

- Draw a floor plan, or a map of your home. Show all doors and windows.
- Mark two ways out of each room. Use arrows to show the primary and secondary routes.
- Mark all of the smoke alarms with **SA**. Smoke alarms should be on every level of your home. Make sure there is an alarm in or near every sleeping area.
- Pick a family meeting place outside where everyone can meet.
- Remember; practice your plan at least twice a year!
